Education

M.Sc. In Statistics

Shahjalal University of Science and Technology, Sylhet, Bangladesh

CGPA 3.46 / 4
2023 – 2024

B.Sc. In Statistics

Shahjalal University of Science and Technology, Sylhet, Bangladesh

CGPA 3.40 / 4
2018 – 2023

Work Experience

Assistant Teacher (Government Employee)

March 2025 – Present

Purba Char Amanullah Hawlader Hat Government Primary School

Ministry of Primary and Mass Education, Bangladesh

- Serving as a class teacher, delivering curriculum-based lessons and maintaining classroom records.
- Monitoring student progress, providing mentorship, and communicating with parents when needed.

Research Assistant

July 22 – June 23

Project: Health Literacy and Associated Factors among University Students in Bangladesh

Funded by SUST Research Center; Supervisor: Dr. Md Jamal Uddin

- Assisted in developing and writing the research proposal.
- Conducted a systematic review on health literacy, including screening and data synthesis.
- Collected and analyzed data; summarized findings for reports, presentations, and prepared two manuscripts.
- Supervised students working on the research project.

Research Group Member (Uncompensated Positions)

January 22 - Present

BEpPh Research Team (Faculty-led), Bangladesh

- Collaborated on applied health research projects in biostatistics and epidemiology.
- Contributed to data analysis, literature reviews, and manuscript preparation.

Treatment-seeking behaviors for ARI, Fever, and Diarrhea in children under five in Bangladesh.

Poster presentation

International conference of Physical science, SUST

2022

Title: Urban-rural inequalities in the utilization of maternal health care services across Bangladesh.

Technical Skills:

■ Programming & Tools:

R (*dplyr, tidyr, ggplot2, caret*), Python (*NumPy, Pandas, scikit-learn, TensorFlow, Keras, Matplotlib, Seaborn*), SQL, STATA, SPSS, LaTeX, Power BI, Tableau, Office Suit, [GitHub](#), [Kaggle](#).

■ Statistical Learning & Machine Learning:

Hypothesis Testing, Regression (*Linear & Logistic*), Bayesian inference, Empirical Bayes, Time Series Analysis.

Supervised: kNN, SVM, Decision Trees, Naïve Bayes, Ensembles (*Bagging, Random Forests, Boosting, XGBoost*).

Unsupervised: Clustering (*K-Means, Hierarchical, DBSCAN*), PCA, Anomaly Detection.

■ Deep Learning:

Gradient Descent, Backpropagation & Optimization, Activation Functions, Data Augmentation, Neural Networks (MLP, ANN, CNN), Transfer Learning.

■ Reinforcement Learning and NLP: Single-Agent RL, Sentiment Analysis, Text Classification.

Certification & Courses ([Certificates](#))

- Machine Learning Specialization- *Andrew Ng, Stanford & DeepLearning.AI (Coursera)*
- Google Data Analytics Certificate – *Coursera*
- Data Science & Machine Learning Bootcamp with R – *Udemy*
- Python for Data Science and Machine Learning Bootcamp – *Udemy*

Projects

- [Breast Cancer Classification using Voting Ensemble.](#)
- [Road Accident Risk | Optuna: SVM, RF, XGBoost.](#)
- [Principle Component Analysis \(PCA\) on MNIST Dataset.](#)
- [Bank Churn Prediction- ANN](#)

Training

Statistical Tools for Textile Industries

Paramount Textile PLC

September 2023

Statistics in Agricultural Research

Bangladesh Rice Research Institute

October 2019

Extra-curricular Activities

Volunteering

KIN | Volunteer (01/2019 -12/2022)

Volunteered for fundraising activities, collecting and distributing winter clothes and teaching underprivileged students.

Organizational Experience

Head of Sound Management Committee, *International Seminar & Statefest-2023*

Organized and successfully execute various departmental and volunteer events as a convener, co-convener and volunteer.

Athletic Accomplishments

Departmental Football Team (2019-2023)

Co-captained, Department football team. Also represented the department in handball and badminton.
